Find the right car insurance for you.

Choose from three levels of car insurance and protect your car from the unexpected.

In conjunction with CGU Insurance Ltd, we have developed our very own instant 'quote & buy' facility where you can obtain a quote and proceed with cover in just a few minutes.

Disclaimer: When you proceed with the CGU online quote & buy facility, we are not acting on your behalf as an insurance broker normally would. We are acting as an agent of the Insurer. Should you prefer to utilise the full services of an insurance broker, please contact our office directly.

Why CGU?

Our choice of Insurer for this facility is based on a consideration of their claims service, policy coverage, competitive premium pricing and company financial strength rating.
